Celtic / Irish Harp - "Braunwen-29" - This attractive four octave folk harp is made in walnut by Stoney End. The harp has 29 strings, range is G to G (or four full octaves) and string spacing is 9/16", same as a concert harp. It features tapered tuning pins, and a full set of Truitt sharping levers to enable you to play in different keys. The harp is 43" high, 51" with the removable 8" base. A 5" base is also provided. It weighs 23 lbs. One owner, non-smoking. Harp is like-new condition. Assembled by the manufacturer. Professionally inspected and tuned. Package includes both bases, a soft carrying case, dust cover, music books, extra strings and tuning wrench. Everything you need to get started! Sound bite available
